

## *Atmospheric Science Program*

### Research Notice Announcement

May 4, 2004

The U.S. Department of Energy has just published the Atmospheric Science Program “Office of Science Notice DE-FG01-04ER04-12” for non-DOE-laboratory scientists.

<http://www.science.doe.gov/grants/FAPN04-12.html>

DOE has also just published “Program Announcement to DOE National Laboratories LAB 04-12” for scientists employed by the DOE national laboratories.

[http://www.science.doe.gov/grants/LAB04\\_12.html](http://www.science.doe.gov/grants/LAB04_12.html)

Please read the appropriate notice carefully and for more scientific detail on needs and priorities please refer to the Program Description at

<http://www.atmos.anl.gov/ASP/010-ASP-040503-PD.pdf>

Please note that all proposals are due by COB on June 21<sup>st</sup>. Proposals received after then may not be accepted for consideration.
